### Registration Instructions for 2012-2013

1. Return the completed form—along with a check made out to **Prospect Co-op Nursery School** for the \$35.00 non-refundable application fee—to the school or to the registrar's home by **Friday, January 13, 2012**. Those registering for the 2 ½ year-old class must also submit a copy of their child's birth certificate. All registrations will be considered at the same time – *registration is **not** on a first come, first served basis*.
2. Families registering more than one child pay only one registration fee.
3. If a class becomes over-enrolled, a lottery system will be used. If, after a lottery, we cannot enroll your child, his/her name will be placed on our waiting list.
4. It is recommended that new applicants to the school select a second and, if possible, a third choice of class. If your child is offered a place in your second or third choice, he/she will still be on a waiting list for your first (or second) choice.
5. You will be notified BY MAIL by **February 3, 2012** whether or not your child has been enrolled at Prospect. After enrollment, a deposit of two (2) months' tuition payable by March 1, 2012 will hold your child's place in the class.
6. Following are Prospect's age requirements:

**2-year-old class:** Children must turn two on or before April 1, 2012

**2-year-old (January-start) class:** Children must turn two on or before July 1, 2012

**3-year-old classes:** Children must turn three on or before October 1, 2012

**4-year-old classes:** Children must turn four on or before October 1, 2012
